

Use this form if you have just received a product from us that you are not totally happy with or is the incorrect size. We can provide you with a refund as long as it's unworn, unmarked, odour free and with all labels still attached and packed flat inside its original packaging. Items for refunds must be received by us within 21 days of us dispatching your order. We can offer an extended refund window around Christmas so you can shower your friends and family in Funky Trunks or Funkita gifts! If you want to read our Refund policy in more detail, please refer to our website. Note that we do not process any exchanges for online purchases but we are happy to provide you with a refund on returned items so that you can purchase another product of your choice. A refund can only be processed to the original method of payment.
